Product Discontinuation Announcement

As a result of the introduction of the Weller WE1010NA (Efficiency) line of soldering stations, we are announcing the End of Life (discontinuation) of the Weller WES51 and WESD51 line.

The **last order date** for distributors will be **December 31, 2018**. We will not accept new P.O.s after this date. The **last shipment date** to Weller distributors will be **March 1, 2019**.

Please plan your ordering as well as catalog and web data changes around these dates.

If you have any questions or concerns, please contact your Weller representative.
